our memories

CHRISTMAS  
the season approaches  
work piles up

and every once in a while  
a smothered Merry Christmas . . .  
. . . and a Happy New Year.

## We Go to School

Mother called David.

She called Ann.

"Get up, David and Ann," she said.

"You must go to school."

"We want to go to school," said Ann.

"We will have fun at school.

We will work and play.

It will be fun to go to school."

# Founders

Small in number

Big in heart

Oneness in spirit

Exclusiveness in friends

The center of campus

A tradition in itself

## Mary Hobbs Hall

Isolated . . .

But a rewarding experience

Work . . . but not burdensome

Adherency to ideals

But adherence to friends

A home in itself

# Shore Hall

It's whats happening

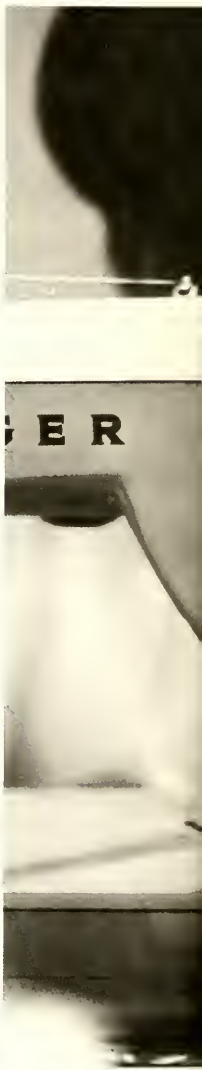

The Pepsi generation

Active, alive

Study, friends, life

A moving, vibrating experience

A spirit in itself

## Binford Hall

The big one . . .  
Variety in numbers  
Yet still friendship circles  
Lively during the week  
Empty halls on Saturday night  
A reputation in itself

## Cox Hall

Sectionalism recreated

An entity of factions

Five-in-one, one of every kind

Myth of destruction

For the man of discrimination!

# English Hall

The campus myth  
Scholarship and athletics  
Create the enigma:  
The Big Blackhawk  
Spirit, loyalty, concern  
For the man of distinction

# Milner Hall

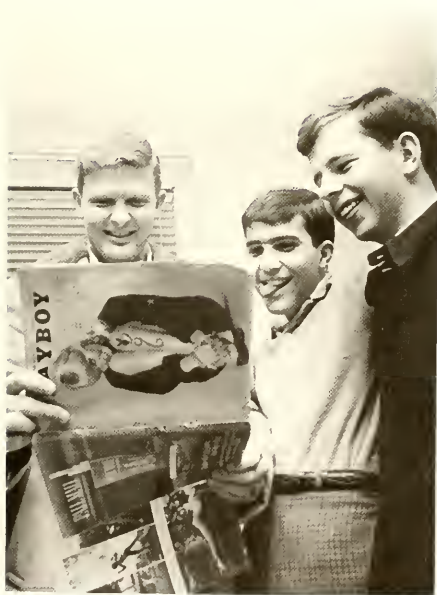

Athletes, intellectuals, scholars

All meet here

Skill, concern, intelligence

A tendency toward exchange of ideas

For the man of many dictates

Guilford's spectacular win over L-R  
 visiting C. W. Post takes a victory home  
 the Christians of Elon under the lights  
 Armfield Athletic Center  
 the roaring crowds  
 homecoming  
 gray, dismal, and wet  
 goal line stands and Ron Winslow  
 break away runs and Tom Grayson  
 freshmen waiting for their big chance  
 graduating veterans  
 joyous memories and sad  
 left behind  
 looking for new horizons, bright futures  
 new recruits  
 returning veterans  
 positions to be filled  
 scholarships to the talented  
 grades to be kept.

Arrival at a deserted school late in August  
no rest until Thanksgiving  
finally time off  
but all too soon  
back to practice, practice, practice  
spring scrimmage  
rest time again  
a summer job  
then back to the gridiron  
all part of a bruising game  
this is football!

revenge over the Apps  
 tickled to death  
 Bregard from 30 feet — swish  
 Moriarty drives the base line — swish  
 Young shoots 1 & 1 — double swish  
 strong bench, Motsinger, Brooks, Gaylord,  
 Atkinson, Allen Grayson, too  
 all around team—few losses, many wins, high hopes  
 Logan and the Catamounts "fight" to win  
 Quakes vs Panthers  
 sorry Quakes, not this year  
 gym much too small  
 like a crackerbox  
 cheerleaders really try  
 V-I-C-T-O-R-Y

Quakers top seat in C.C. standing  
 riding high  
 Hard loss to L.R., but come back over  
 Pfeiffer and Elon  
 End regular season in No. 1 spot  
 History was made that February night  
 Tough break — Bregard is out for the year  
 Quakers still win  
 Bench plays its strength  
 Motsinger comes through better than ever  
 Quakers ride to tourney — doubts-fear-hopes  
 Second half surges save the day  
 First round won! Fellers skills shaved  
 Play hard — fight-fail-shout-rebound-try  
 Down L.R. and advance to finals  
 Play Apps — lose  
 Motsinger injured — good player lost  
 Kauffman — most valuable —  
 tourney and conference!  
 Meet Wofford in playoff  
 Lead changed 21 times, score tied 12  
 Guilford wins again  
 Team spirit, fan admiration — Go Quakes!  
 Another chance at Appalachian  
 K.C. trip at stake  
 pride, skill, effort, drive  
 Quakes play as we know they can  
 KANSAS CITY here we come  
 Gaylord with 14 points against Apps  
 He “knew” he could do it, now we do too!  
 Hold N.A.I.A. District 26 title still  
 Sorry Apps, but we’re no. 1  
 National playoffs, win first round  
 Trouble again, injury and illness  
 Lose second round  
 Year’s been good, teams been great  
 The sky is the limit for Steele’s cagers!

# Intramurals

the end of the year  
and each has moments  
to remember  
moments  
from a year  
spent at Guilford  
moments  
of intense concentration  
of relaxation  
of involvement  
. . . in a person, a team  
in a school  
Guilford College, 1967  
reflections . . .  
refractions . . .  
return . . .  
bright  
yet hazy  
by time  
events  
people

a unique experience  
 but the same  
 the urge to interact  
 yet to be alone  
 . . . in thought  
 at least for a while  
 people  
 with diverse  
     emotions  
     mood  
     thoughts  
 people  
 who learn  
     to express their thoughts  
     to release their emotions  
 people  
 who learn  
     what it means  
     to live . . .

a remembrance  
of a year gone by  
the small moments  
and  
the moments  
no one will forget  
the special closeness  
to friends  
and professors  
knowing  
"we're number one"  
moments  
gone  
by

an ending  
a beginning  
a place  
a time  
but more . . .  
a memory  
an unfinished thought  
the past  
not clear  
yet recalled  
relived  
for the second  
the page  
the Quaker
